17. (Unclassified - RJK) Kim Francois, on the staff of Representative William M. Ketchum (R., Calif.), called to ask for information about [REDACTED] for a constituent. After checking with [REDACTED] Liaison, I provided her with the subscription rates and the address to which the constituent could direct his inquiry.

18. (Internal Use Only - LLM) Don Elisburg, Senate Labor and Public Welfare Committee, Subcommittee on Labor staff, called to alert me to the printing of the sectional analysis of the conference report on the age discrimination rider of the Fair Labor Standards Act amendments. I told him I had already written the Committee and said it was pretty clear that they did not comprehend the situation. I mentioned the possibility of our amending the CIA Retirement Act during this Congress and said that perhaps we could remedy the situation and he agreed that if this was attempted the Labor Committee may not feel that its authority had been impinged.
